

## Official Participating Societies

**Pacifichem 2010, 2005, 2000, 1995, 1989 &1984**

### 2010

**Canada:** Canadian Society for Chemical Engineering

**China:** Chemical Society Located in Taipei, China; Hong Kong Chemical Society

**Costa Rica:** Colegio de Quimicos de Costa Rica

**Fiji:** Chemical Society of the South Pacific

**India:** Indian Chemical Society

**Japan:** Catalysis Society of Japan; Ceramic Society of Japan; Electrochemical Society of Japan; Imaging Society of Japan; Japan Explosives Society; Japan Institute of Energy; Japan Oil Chemists' Society; Japan Petroleum Institute; Japan Photochemistry Association; Japan Society for Analytical Chemistry; Japan Society for Bioscience, Biotechnology, and Agrochemistry; Japan Society for Environmental Chemistry; Japan Society of Applied Physics; Japan Society of Corrosion Engineering; Japan Wood Research Society; Japanese Society for Chemical Regulation of Plants; Japanese Society for Food Science and Technology; Japanese Society of Carbohydrate Research; Japanese Society of Nutrition and Food Science; Pharmaceutical Society of Japan; Rare Earth Society of Japan; Society for Biotechnology, Japan; Society of Chemical Engineers, Japan; Society of Environmental Science, Japan; Society of Fiber Science and Technology, Japan; Society of Polymer Science, Japan; Society of Rubber Industry, Japan; Society of Sea Water Science, Japan; Society of Synthetic Organic Chemistry, Japan; Surface Finishing Society of Japan

**Korea:** The Korean Fiber Society

**Malaysia:** Institut Kimia Malaysia

**Mexico:** Sociedad Polimerica de Mexico (SPM)

**Nation of Brunei:** Brunei Darussalam Institute of Chemistry

**New Guinea:** Institute of Chemists, Papua New Guinea (ICPNG)

**Russia:** Mendeleev Russian Chemical Society;

**Singapore:** Singapore National Institute of Chemistry;

**Thailand:** Chemical Society of Thailand

**United States:** Biotechnology Industry Organization (BIO), International Ultraviolet Association

### 2005

Canadian Society for Chemical Engineering

Chemical Society Located in Taipei

Chemical Society of the South Pacific

Chinese Chemical Society

Colegio Panameno de Quimicos

Hong Kong Chemical Society

Institut Kimia Malaysia

Integrated Chemists of the Philippines

Singapore National Institute of Chemistry

Sociedad Chilena de Quimica

Society of Chemical Engineers, Japan

### 2000

Canadian Society for Chemical Engineering

Centre for Applications of Isotopes and Radiation

Chemical Society Located in Taipei

Chemical Society of Thailand  
Chemical Society of the South Pacific  
Chemical Society of Vietnam  
Chinese Chemical Society  
Colegio Panameno de Quimicos  
Hong Kong Chemical Society  
Institut Kimia Malaysia  
Institute of Chemistry, Papua New Guinea  
Integrated Chemists of the Philippines  
Korean Chemical Society  
Polymer Society of Taiwan  
Russian Mendeleev Chemical Society  
Singapore National Institute of Chemistry  
Sociedad Chilena de Quimica  
Sociedad Quimica de Mexico  
Sociedad Quimica del Peru  
Society of Chemical Engineers, Japan

## 1995

American Society for Testing and Materials  
Asociacion Quimica Argentina  
Canadian Society for Chemical Engineering  
Chinese Chemical Society-Beijing  
Colegio de Quimicos de Costa Rica  
Colegio Panameno de Quimicos  
Hong Kong Chemical Society  
Institut Kimia Malaysia  
Integrated Chemists of the Philippines  
Korean Chemical Society  
Papua New Guinea Institute of Chemistry  
Russian Mendeleev Chemical Society  
Singapore National Institute of Chemistry  
Sociedad Chilena de Quimica  
Vietnam Chemical Society

## 1989

Asociacion Farmaceutica Mexicana  
Chemical Society Located in Taipei, China  
Chemical Society of Thailand  
Chemical Society of the South Pacific  
Chinese Chemical Society  
Colegio Panameno de Quimicos  
Federacion Latinoamericana de Asociaciones Quimicas  
Federation of Asian Chemical Societies  
Himpunan Kimia Indonesia  
Hong Kong Chemical Society  
Institut Kimia Malaysia

Instituto Mexicano de Ingenieros Quimicos  
Integrated Chemists of the Philippines  
Korean Chemical Society  
New Zealand Institute of Chemistry  
Papua New Guinea Institute of Chemistry  
Royal Australian Chemical Institute  
Sindicato de Quimicos-Farmaceuticos de Nicaragua  
Singapore National Institute of Chemistry  
Sociedad Chilena de Quimica  
Sociedad Colombiano de Quimicos e Ingenieros Quimicos  
Sociedad Quimica de Mexico  
Sociedad Quimica del Peru

## 1984

All-Union D. I. Mendeleev Chemical Society  
Asociacion Farmaceutica Mexicana  
Chemical Society Located in Taipei, China  
Chemical Society of Thailand  
Chinese Chemical Society  
Colegio Federado de Quimicos y de Ingenieros Quimicos de Costa Rica  
Colegio Panameno de Quimicos  
Federacion Latinoamericana de Asociaciones Quimicas  
Federation of Asian Chemical Societies  
Himpunan Kimia Indonesia  
Hong Kong Chemical Society  
Institut Kimia Malaysia  
Instituto Mexicano de Ingenieros Quimicos  
Integrated Chemists of the Philippines  
Korean Chemical Society  
New Zealand Institute of Chemistry  
Royal Australian Chemical Institute  
Singapore National Institute of Chemistry  
Sociedad Chilena de Quimica  
Sociedad Quimica de Mexico  
Sociedad Quimica del Peru
